1.4) What helped your learning the most in this course?

- All methods which my Professor teaches us.

- attending every day lectures

- Everything, my prof is the best

- He gave us all the material we needed in order to learn

- I have learned all the fundamentals

- I have learned more about the writing structure skillset such as how to outline a topic and how to make coherence more logically.

- My writing comprehension

- teaching from the basic

- The professor explained everything really well and helped me improve in this course.

- The step by step assignment every week submission

- The writing assignments helped me improve my writing skills, particularly in writing argumentative and comparison essays.

- the writing techniques.

- To learn every topic in depth.

- Writing essays and Instructors teaching

- Writing the most professional and clearly

---

1.5) What changes could have been made to enhance your learning in this course?

- Add writing conferences for all the writings

- At some point, I felt the lectures were boring, and daily mini-assignments made me hectic, which could be reduced to one weekly assignment.

- Everything was good

- Extra resources for grammar

- I don't find anything like that.

- I won't say it needs nothing to improve but as it is right now it is pretty good class

- Less homeworks

- Love my prof

- maybe more interaction in class.

- No morning classes

- none

- Nothing

- nothing

- The actual requirement of the course in particular In my opinion anyone would do just fine if they were placed in Eng150 instead of this
